Optional Coverages

Acceptance of Loss Damage Waiver relieves the renter and authorized additional drivers of financial responsibility if the Budget car is damaged or stolen while under rental contract. Using the vehicle in violation of any of the use restrictions listed on the rental agreement could void LDW and leave the renter fully responsible for any damage to the vehicle.

LDW is not available in all states and certain restrictions may apply in some states. At the time of rental, the customer must initial whether he/she accepts or declines the LDW and/or other optional services. LDW and other optional services must be signed for at the rental counter.

If LDW is not accepted, the customer may be responsible for up to the full fair market value of the car if it is damaged, vandalized or stolen during the rental. The customer may also be responsible for reimbursing Budget for the revenue lost by not being able to use the car while it is being repaired or not recovered due to theft (referred to as Loss Of Use).

Age Requirements

Budget at this location rents to customers between the ages of 21-24 with a valid credit card and driver's license. At time of rental, we will automatically apply an additional \$27-per-day underage surcharge for these drivers.

Additionally, the following restrictions also will apply for renters between the ages of 21-24: Rentals of luxury cars, mini-vans, 12-passenger vans, specialty cars, full-size SUVs, premium SUVs and Street Fleet vehicles will not be permitted.

Some locations may not accept each of the referenced cards. At the time of rental we will request an authorization on your charge card for the total estimated rental charges or \$200. While this hold is in place, the funds will not be available for your use. When the rental is over we will process the reversal but the bank may take time to post it back to the account.

Debit Card Policies

This location does accept bank debit cards with the MasterCard or Visa logo at the time of rental if you are at least 25 years of age. You will be subject to a credit check to determine creditworthiness.

At the time of pickup, a debit card cannot be used for the required hold if renting Convertibles or from the Street Fleet selections or for all makes and models identified in the Specialty or Signature Series and for certain other premium vehicles.

Budget will generally request an authorization hold against your account for the estimated rental charges, but reserves the right in its sole discretion to request extra value based on certain factors as we deem appropriate. **THESE FUNDS WILL NOT BE AVAILABLE FOR YOUR USE.**

Upon returning the vehicle, Budget will process a release of the unused portion of the hold subject to your Bank's procedures. The hold may take up to 2 weeks to be released by your bank.

If you fail to return the vehicle as agreed, Budget will obtain additional authorizations from your account to cover the rental charges.

Budget is not responsible for any returned checks or over-drafts based on this policy.

Positive identification in addition to your driver's license may be required.

In the United States, Debit, Cash or Check cards can be used at the end for payment of rental charges.

Additional Fees and Credit Holds

Before you drive away in your shiny Budget rental car, we'll need to put a hold on your credit card (or debit card at some locations) for the total estimated rental charges. (Sorry, but a prepaid card is not an acceptable method of credit identification for this hold.) While the hold is in place, the funds will not be available for your use. Once you return the vehicle, we will process a release of the unused portion of the hold subject to your bank's procedures. The hold could take up to 2 weeks to be released by your bank.

If you want to use a credit card for the hold, that amount will be the total estimated rental charges or \$200, whichever is greater.

Upon paying your rental with a Debit Card, Budget will generally request an authorization hold against your account for the estimated charges of the rental but reserves the right in its sole discretion, to request extra value based on certain factors as we deem appropriate. Some exceptions may apply. If you have prepaid for the rental on Budget.com the hold will be 100.00. THESE FUNDS WILL NOT BE AVAILABLE FOR YOUR USE.

You will be subject to a credit check to determine creditworthiness and the rental may be denied based on the results of this check.

If you don't return the vehicle as agreed, we will obtain additional debit hold authorizations from your account to cover the rental charges.

We are not responsible for any returned checks or over-drafts due to our debit hold policy.

A debit, cash, check card or prepaid card can be used for payment of rental charges upon car return.
